9. [redacted] Talked with Robert Michaels, House Appropriations Committee staff, asking him to inform Representatives Mahon and Ford that in connection with the Executive Pay bill which is to be debated on the House floor tomorrow, an amendment will be offered raising the Director from Level III to Level II and inserting the Deputy Director in Level III. I indicated I thought it was the appropriate thing to inform Mahon and Ford in the event any discussion develops about the Agency concerning this item. Mr. Michaels said he would be glad to inform them.

4. (Unclassified - JSW) General Carter and John S. Warner met briefly with Representatives Corbett and then Udall. General Carter pointed out that the Director was in Saigon and that as Acting Director he wished to discuss possible amendments to the Executive Pay bill with respect to the positions of the DCI and the DDCI. Mr. Corbett stated he knew there were certain amendments which he had authorized his men to agree to and he was sure this was one of them. Mr. Warner indicated that this was the case. Mr. Corbett indicated his agreement on the merits and said he was sure this would be all right. Mr. Udall had taken the time to check the situation before our arrival and indicated that these amendments were planned to be made and he was sure there was agreement among the appropriate people. General Carter indicated that he had just discussed this with Mr. Corbett who had agreed and I mentioned that this had been carefully discussed with Mr. Morrison who was in agreement and that the staff had assured me that Mr. Murray was in agreement. Mr. Udall said he would certainly support this change since it should not have been changed from his original bill. ✓

1. [ ] Talked with John Martini, on the staff of House Post Office and Civil Service Committee, advising him of my discussion the previous day with Representative Morrison with respect to an amendment to the Executive Pay bill concerning the Director and Deputy Director. I informed him further of my discussion with Mr. Olsen. Martini assured me he had been present when Charles Johnson, the Staff Director, discussed this with Mr. Murray and has assured us there is no necessity for the Agency to meet with Chairman Murray. It was his suggestion that in view of Udall's interest in the bill it would be desirable to meet with Udall. They are to keep us advised of any developments. ✓

2. [ ] Talked with Representative James H. Morrison in connection with proposed amendments to place the DCI and the DDCI in Level II and III respectively in the pay bill. Mr. Morrison said he still planned to introduce this as a Committee amendment. He stated he did not know whether Mr. Murray or he would manage the bill on the floor. If Murray manages he will introduce the amendments and if he manages he planned to have Representative Arnold Olson introduce the amendments. Therefore, he requested I discuss this with Mr. Olson. Morrison also urged that we see Mr. Corbett and coordinate fully with Staff Director Charlie Johnson. This we will do. ✓

3. [ ] Talked with Mr. Olson per Mr. Morrison's request. Mr. Olson indicated that he believed in these amendments on their merits in addition to the fact that he, of course, wanted to cooperate with Morrison in every way. He evidenced some concern about the number of amendments but then referred to his list indicating that the DCI amendment was the number one Committee amendment. I agreed to furnish him with a copy of our letter to Mr. Morrison which enclosed a proposed amendment. ✓

25X1 3.  The House Rules Committee, by vote of 8 to 3, approved the resolution to bring the pay raise bill to the floor of the House. Discussion before the Committee indicated that no date has been agreed upon by the House Post Office and Civil Service Committee members for implementation of the various pay raises. It was mentioned in this discussion that present rumor provided for an immediate or 1 July '64 effective date for Executive Pay, and 1 January '65 for Legislative and Judicial pay.
